

Part Number: 2155RP1830MWLW

End 1: 2.1mm x 5.5mm x L 22mm molded right angle DC plug

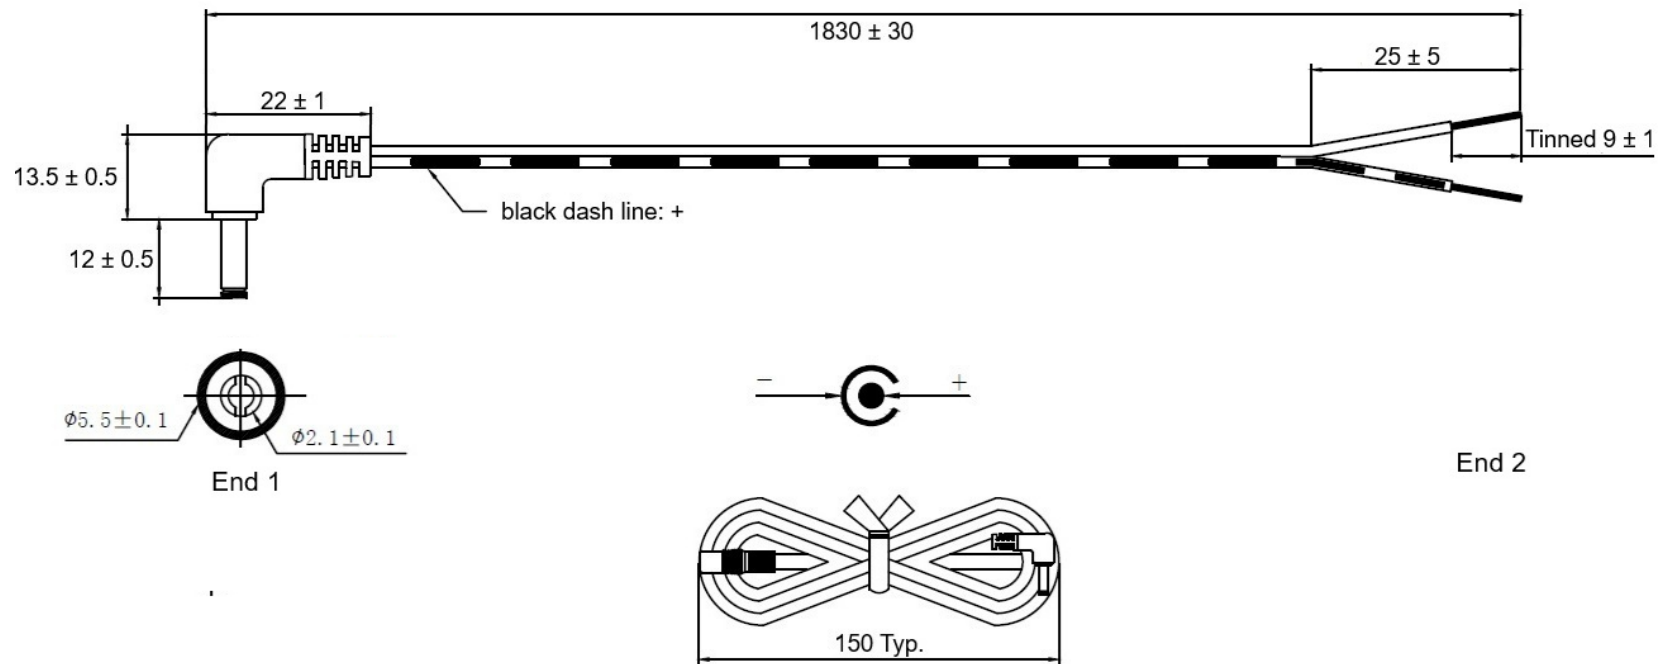

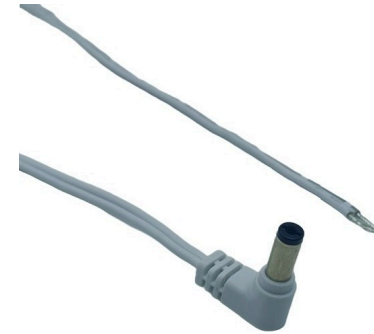

End 2: 9mm stripped and tinned wire leads

Cable: 18AWG 2C UL2468 300V 80°C VW-1

Max Rating: 48VDC, 3A

Color: white

Length: 1830 ± 30 mm (6ft)

Note:

1. All measurements are in mm
2. Product photo is for reference only
3. Final performance and compliance are the responsibility of the end-equipment manufacturer. Appropriate engineering evaluation and testing need be performed prior to use
